GALESBURG TEAM DEFEATS LOCALS

College City Eleven Has Big Advantage in Weight and Crashes. Moline 25 to 7.

LUDWIG AND SEYMOUR STARS

Captain and Scrappy Quarterback Lead by Many a Play—Maroon and White Stars Shine.

Expected 25 points to the goal, the maroon and white went down in defeat before the Galesburg high school football eleven Saturday afternoon at a score of 25 to 7. The local team, led by captain Ludwig, fought gamely throughout the contest. The Galesburg eleven was in surprisingly poor condition and the other class Schaefer would slip and fall when endeavoring to control the ball. Ludwig was closely watched by the Galesburg players, who evidently have a high reputation as an open field runner. In the closing minutes of play the Moline players attacked and made the last over the goal line for a field goal. Even then, however, the goal had not been scored by the 25 minutes of play. The maroon and white were unable to score the goal, but were able to kick the field goal and win the match.

Capital football and Ludwig played a wonderful game for Moline. Ludwig was the star of the game, leading through the opposing line and making the running. Ludwig was a star in the game, leading through the opposing line and making the running. Ludwig was a star in the game, leading through the opposing line and making the running.
